Date: 06/25/05

We have been Ypsilanti residents since 1991 and have owned and operated the Arbor Brewing Company in Ann Arbor since 1995.

We recently signed a purchase option on 720 Norris and have applied for a rezoning of the property. We'd love to hear your thoughts on the project.

Please join us at 720 Norris (on the corner of Forest and Norris) for a meet and greet and informational meeting Saturday, June 25 at 2:00 to discuss our ideas for the property Refreshments will be served
